

THE WHITE MOUNTAIN SCHOOL

E.E. Ford Foundation Sustainability Scholarship, 2011 - 2012

Application

The White Mountain School (WMS) has long been an unwavering proponent of environmental stewardship and eight years ago became the first high school in the nation to create an academic department of sustainability studies. In 2007, The National Association of Independent Schools presented a Leading Edge Award for Global Sustainability to WMS. The E.E. Ford Foundation is now partnering with WMS to offer scholarships for students entering the sustainability program. WMS is committed to bringing sustainability studies to the secondary school level and realizes that our faculty, facilities and location put us in the unique position to do so.

Students interested in applying for an E.E. Ford Sustainability Scholarship must complete the application below and return it at their earliest convenience. The Admission Office wants to learn about your interest in sustainability and why this area of study is important to you. Please also list someone who can talk with us about your interest.

Each scholarship will be awarded as follows: \$15,000/year boarding and \$7500/year day.

Please feel free to answer the following questions on a separate page. Then, attach the page. Thanks!
